Use caution - may involve errors or sections not suited for walking. Public transport can be effected by works on roads or railway lines. These directions are given as a guide. Please make sure you verify trains and buses are running before heading out on the crawl. You might have to find alternative routes. All times are guess-timated and are a close as they can be to actual times.

The closest pubs to Vine Street. The King's Head or Goat Tavern across the street. Vine street is a dead end with nothing on it. Bentley's Oyster Bar and Grill is on Swallow, but we don't recommend a crowd going in there. If your crawl is small, you might be able to get drinks without ordering food. Your best bet is the pubs to be honest.
